

Dear Tiny Tots Families,

You may have heard that Tiny Tots will be discontinuing our cotton diaper service, and becoming a Compost Only Diaper Service. For our customers already using the Compost Service, most of you will benefit from more favorable pricing on packs of diapers and wipes as we move to a new membership model.

These changes will take place **starting May 15<sup>th</sup>, 2019**. Your diaper service account will begin to be billed every 4 weeks for a membership to the diaper service and reduced pricing on packs of diapers and wipes will go into effect. If you are in Pre-birth status currently, the fee will be applied once your account is activated.
